

Possible Theatre Workshops at the Neuadd Dyfi.

We hope to start a professionally run theatre workshop sessions primarily aimed at the younger age group (tots to teens ish) . This is at the ideas stage at the moment what will be offered will be dependent on who is interested and what they are interested in. Possibly Saturday mornings for 10 week blocks possibly culminating in a small show. We have two tutors keen to run it. We are very open to ideas.

If interested could you fill in the questionnaire below?

If you would like to help organise or need more information Contact
